## INTRODUCTION

---

Durleigh is a Somerset based company, established in 1984. It has a highly respected reputation in providing outstanding off-the-shelf and bespoke presentation, display and exhibition solutions for a wide range of sectors, including: education, business, medical, tourism and local government. We work with private and public sector businesses across the UK and internationally.

With over 28 years experience in design and bespoke manufacture, Durleigh goes from strength to strength, as word continues to spread of our ability to deliver stylish and robust signage and display solutions, on-time and on-budget. We seek to provide inspiration, advice and project management support in creating display solutions that add value to our clients' businesses.

**Products, Design, Printing, Manufacture, Hire, Packing and Distribution... all from one source. Products and services designed to help promote yours!**
